The Calendar of Technical Assistance for Co-operatives has now been published for a number of years. The part co-operatives play in the social and economic development of the Third World is increasingly recognised by the United Nations, and also by other inter-governmental and non-governmental agencies. It has been possible, with the help of many organisations, to collect and assemble information about the growing volume of technical assistance for co-operatives in the developing countries.

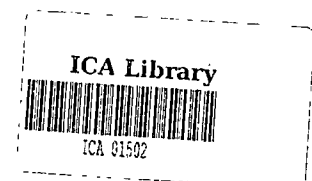

Many more projects of technical assistance to co-operatives are undertaken than could possibly be listed in the Calendar. Several co-operative organisations in developed countries provide "in-country" training courses for co-operators in the developing countries and others provide financial aid raised from voluntary contributions for international educational activities. Some of the auxiliary committees of the International Co-operative Alliance, such as the Co-operative Insurance Federation, through its Insurance Development Bureau, the International Committee of Workers' Co-operative Productive and Artisanal Societies, through the Centre for the Promotion of Industrial Co-operatives in Warsaw (Poland), and the International Co-operative Housing Committee, through the International Co-operative Housing Development Association (ICHDA), are providing advice and expertise on the promotion of co-operatives in the developing countries.

The International Co-operative Alliance is grateful to all those individuals and organisations which have collaborated in providing the information published in the Calendar which, we believe, makes a useful contribution towards better co-ordinated information on technical assistance projects.

## NOTES

- (1) The Calendar of Technical Assistance for Co-operatives consists of two parts.

Part I (pp. 1 to 22) gives details of seminars and courses scheduled for July 1980 - June 1981.

Part II (pp. 23 to 64) lists new and continuing co-operative projects of technical assistance planned for July 1980 - June 1981. Further enquiries relating to individual projects may be obtained from the sponsoring organisation.

- (2) On pages 65 and 66, there is a list of those abbreviations used throughout the Calendar which could be identified.

- (3) Copies of the Calendar are obtainable from the International Co-operative Alliance, 11 Upper Grosvenor Street, London W1X 9PA, United Kingdom. Price £2.50.
