FOREWORD

An excellent document has been completed by the Research Officers of the ICA containing the best that could be found on industrial cooperation in the world. We wish to express our sincere appreciation and thanks to Miss Koulla Themistocli, research officer of the ICA, who edited this work of great importance not only for those interested in the study of industrial cooperation but also for all those who are involved in the cooperative field.

The International Committee of Workers' Cooperative Productive and Artisanal Societies in its pursuit to fulfill the programme established in Paris in 1976, considered it important and dutiful to publish and diffuse such an interesting text on the occasion of the 1st World Conference on Industrial Cooperatives programmed to take place in Rome from 25th to 28th October 1978.

In renewing our thanks to the Alliance for its valuable collaboration, we would appreciate suggestions for any additions to this document.

We are convinced that the ideal which unites us will become even stronger by means of a greater participation in our efforts to make the cooperative principle prevail.

Bruno Catalano
General Secretary of the
Workers' Productive Committee

AVANT-PROPOS

Un excellent ouvrage a été mené à bonne fin par les Responsables de la Recherche de l'ACI sur tout ce qu'on peut trouver de mieux d'écrit sur la coopération industrielle dans le monde. En particulier nous adressons nos remerciements les plus chaleureux à Mlle. Koulla Themistocli, responsable de la recherche à l'ACI, et qui a rédigé un ouvrage non seulement important pour ceux qui s'intéressent à la coopération industrielle, mais aussi pour tous ceux qui travaillent dans le milieu coopératif.

Le Comité International des Coopératives Ouvrières de Production et Artisanales poursuivant la réalisation du programme fixé à Paris en 1976, a retenu juste et important de s'occuper de la publication et de la diffusion d'un texte si intéressant à l'occasion de la 1ère Conférence Mondiale sur la Coopération Industrielle programmée à Rome du 25 au 28 octobre 1978.

En renouvelant nos chaleureux remerciements à l'Alliance pour sa collaboration précieuse, nous adressons une invitation cordiale à toutes les personnes qui s'intéressent à la coopération, de bien vouloir nous adresser leurs suggestions éventuelles relatives à des additions que l'on pourrait faire à cet ouvrage.

Nous sommes convaincus que l'idéal qui nous soutient ne fera qu'augmenter grâce à une participation toujours plus grande de nos efforts à faire prévaloir le principe coopératif.

Bruno Catalano
Secrétaire Général du CICOPA

PREFACE

An attempt has been made to compile a bibliography on the subject of Industrial Cooperation. This has been made possible with the assistance of various bibliographical texts already published, "Cicra Newsletter" (May 1978) and the "London Bibliography of the Social Sciences". It is hoped that this will meet a felt need for those interested in Industrial Cooperation.

PREFACE

Une tentative a été faite pour compiler une bibliographie sur le sujet de la Coopération Industrielle. Ceci nous a été possible grâce à l'assistance de divers textes bibliographiques déjà publiés, la "Lettre du Cicra" (Mai 1976) et "London Bibliography of the Social Sciences". Nous espérons que cet ouvrage pourra répondre aux besoins de ceux qui s'intéressent à la Coopération Industrielle.
