Our ref. 14.E.02

25th May 1984

Dear Co-operator,

As you are aware we have been issuing the list of new additions to our library as a part of our quarterly Documentation Bulletin for South-East Asia. During the last two/three years we were unable to maintain the regular frequency of our Documentation Bulletin due to certain unavoidable circumstances. In view of this we have decided to delete the (i) new additions of ICA Library and (ii) the list of documents index from the Bulletin and issue these separately.

The enclosed list is our cumulative new additions to our Library since January 1980 to December 1983. Part-I consists of new additions of co-operative literature and Part-II comprises new additions of allied literature to our library. Some time back we had also issued cumulative catalogue of ICA Library.

Hope you will find the lists useful,

With co-operative greetings,

Yours faithfully,

B.D. Pandey
B.D. Pandey,
Librarian and
Documentation Officer.

Our ref. 14.E.02

25th May 1984

Dear Co-operator,

As you are aware we have been issuing the list of new additions to our library as a part of our quarterly Documentation Bulletin for South-East Asia. During the last two/three years we were unable to maintain the regular frequency of our Documentation Bulletin due to certain unavoidable circumstances. In view of this we have decided to delete the (i) new additions of ICA Library and (ii) the list of documents index from the Bulletin and issue these separately.

The enclosed list is our cumulative new additions to our Library since January 1980 to December 1983. Part-I consists of new additions of co-operative literature and Part-II comprises new additions of allied literature to our library. Some time back we had also issued cumulative catalogue of ICA Library.

Hope you will find the lists useful,

With co-operative greetings,

Yours faithfully,

B.D. Pandey,
Librarian and
Documentation Officer.
